Death of Woodrow Shive**

QUAKERTOWN, Feb. 14—A 43-year-old resident of near Reading has been exonerated of a charge of involuntary manslaughter. The charge was the outgrowth of a two-car crash last September in which Woodrow B. Shive, 34, Quakertown R. D. 2, sustained fatal injuries.

The inquest was conducted here on Wednesday evening by J. Alfred Rigby, Bucks County coroner.

Endy, operator of one of the cars, was held following the death of Shive, 34, in the Quakertown Community Hospital October 4, from internal injuries. The accident happened Sept. 29 at 10:30 a. m.

Trooper Carl Ziegler, of the Collegeville sub-station of the Penna. State Police, who investigated the accident, testified that it happened in New Hanover township on Route 663, six miles south of Pottsville.

The defendant, Endy, testified that he was operating his car north and that Shive's car, which was coming in the opposite direction, skidded into his path of travel. He was only going about 30 or 35 miles an hour when the Shive car pulled out of a line of traffic, he states, and was struck broadside.

Members of the jury were George J. Shelly, foreman; Robert E. Bilger, Edward C. Kukowski, Mrs. Gertrude R. Kinsey, R. P. Johnson, all of this place, and Mrs. Mary L. Crouthamel, of Danboro.

**Bristolians To Benefit
By Additional R. R. Seats**

Individuals who travel from Bristol to Philadelphia by train will be benefited by the additional seats which are being provided by the Pennsylvania Railroad to expand the capacity of morning and evening rush hour trains.

A number of electric locomotives and regular coaches have been released from longer runs by some lightning of passenger travel, and they are being used to replace electric cars in some of the commuter trains. This is effective Feb. 16.

"As a result," it is announced, "59 electric cars will be released for use in suburban electric trains on all lines to enlarge seating capacity." The company is therefore switching some trains into Broad street station. "We are going to put one or two more trains into Broad street station than we really have to, so that during the evening rush hour, all trains for the same destination will be in the same station for your convenience," the company announces.

These changes will affect the following trains from Bristol to Philadelphia: Leave Bristol 6:32 a. m., arriving Broad street station, 7:25; leave Bristol 7:25 a. m., arriving Broad street station, 8:19 a. m.; leave Bristol 5:18 p. m., arrive Broad street station, 6:02 p. m.

Leave Broad street station 5:46 a. m., arrive Bristol at 6:30 a. m.; leave Broad street station 8:10 a. m., arrive Bristol at 9:06 a. m.; leave Broad street station 5:16 p. m., arrive Bristol 6:08 p. m.; leave Broad street station 9:49 p. m., arrive Bristol 10:24 p. m.

BOTH LEGS BROKEN

QUAKERTOWN, Feb. 14—Nancy Dencker, Quakertown R. D. 2, suffered fractures of both legs when struck by a car as she was crossing Route 212, near Quakertown, while returning home from school on Wednesday.

The girl, six years old, was taken to Quakertown Community Hospital by John J. Logue, Oxford, N. J., the motorist who hit her.

A SUMMARY OF THE NEWS

An expenditure of \$5,300,000,000 under the European Recovery Program for 12 months beginning April 1st is proposed in a measure approved yesterday by the Senate Foreign Relations Committee. This contrasts with the Administration's request for \$6,800,000,000 for a 15-month period.

Secretary of State Marshall described the program as an undertaking whose success or failure would determine whether a world based on democracy, individual liberty, economic stability and peace could survive.

The Council of Economic Advisors will hold six conferences with leaders of industry, labor, agriculture and consumers to reach a definite appraisal of the sharp drop in the commodity markets for President Truman.

The grain markets had another unsettled day. May corn closed off the 8-cent daily limit and May wheat dropped 5 cents despite traders' repeated efforts to rally the markets. Only oats and hard closed higher. New York Stock Exchange levels edged higher.

The Soviet Union set up an economic administration for its occupation zone in Germany comparable with the Anglo-American bilateral structure. The new admini-

**Service Arranged Today
For Mrs. Alonzo Shinn**

BURLINGTON, N. J., Feb. 14—Service will be held this afternoon for Mrs. Esther D. Shinn (nee Daniels), who died in Broad Street Nursing Home on Wednesday morning. Relatives and friends are invited to the funeral home at 113 E. Broad street, at 1:30 o'clock, and service will take place at two in St. Mary's Episcopal Church. Burial will be in St. Mary's Churchyard. Mrs. Shinn was a member of that church.

The deceased, daughter of the late Harry and Carrie Daniels, formerly resided on Walnut street, Bristol, and she was a graduate of the Bristol high school. Her survivors are her husband, Alonzo Shinn; a daughter, Mrs. James Keegan, Burlington; and a son, Robert Shinn, of Philadelphia. The deceased was 57 years of age.

**SELLERSVILLE RATE
STILL AT 18 MILLS****Make Effort To Enforce "No
Passing" Zone On Bor-
ough's Main Street****WILL RETIRE BONDS**

SELLERSVILLE, Feb. 14—Sellersville Borough Council set the 1948 borough tax rate at eighteen mills, the same as last year.

No action was taken on the proposed plan to set-up a "speed-trap" in the community, and council is awaiting authorization from the State Highways Department to paint double white lines in an effort to enforce a no-passing zone on Main street.

It was announced that the \$21,000 bonded indebtedness will be retired March 1, and in passing the annual budget, council allocated \$900 to the playground fund and \$900 to the park system. No capital improvements are planned in the sewer account, although a new water line on Ninth street is expected to cost about \$10,000.

A new chlorinator will cost \$2,000, and new hose for the fire apparatus will cost about \$1,000. Council plans to purchase 1,000 feet of 2½-inch hose.

Drivers of fire apparatus appointed follow: Seniors, Walter Bardsley, Irvin Moore, William Steeley, Robert Pennington, Melvin Keyser, Phillip Coll, Theodore Menzack, and John Oberton; juniors, Daniel Coll, E. F. Weidenmeyer, Edward Odenborn, Ray Stull, Ralph Heckler, Fire Chief Joseph Hufnagle and Assistant Fire Chiefs Theodore Raudenbush and W. Lee Wilhelm.

Edward Guldin, South Main street, appeared before the board and protested the formation of a trailer camp in the rear of his garage. He described the residents as "itinerant workers." Named to look into the matter were Councilmen

A Valentine social and party for members and friends of Bristol Presbyterian Church will be held in the social room at eight o'clock this evening. A most interesting and varied program is being arranged.

Various organizations, including the men's Bible class, the choir, and other groups, will be putting on "stunts." Fun and fellowship is promised to all. An evening of merriment is assured, those in charge state. Refreshments will be served.

The Senior Christian Endeavor is in charge of the program. All are invited.

**RESIDENTS ALONG
STREAMS WATCH
FOR RISING WATER****Higher Temperatures, Fog
and Rain Melt Ice and
Snow Fast****DELAWARE IS NORMAL****Five Injured As Two Acci-
dents Occur During the
Stormy Weather**

Residents along the banks of streams in Bucks County are keeping a watchful eye on the water level, waiting for the ice break which they feel the thaw might bring.

Storm news also includes two motor accidents in which five were hurt.

Fog and warm rain of the past 24 hours gave promise that something might "give" as far as the thick ice on the Delaware, Neshaunim and other streams are concerned.

Yesterday afternoon a quantity of heavy ice came down the Delaware. This morning at 9:15, when visibility was poor, due to fog, some ice was noted in the Delaware, but not as much as yesterday, employees at the Bristol water works state. Unofficial reports put the ice on the Neshaunim at 9½ inches and over, depending on location. The water level of the Delaware at 9:15 was reported as normal, but a rise is anticipated.

Temperatures which rose from 29 at eight a. m., yesterday into the high thirties and low forties, continued to mount. At eight o'clock this morning unofficial temperature reading in Bristol was 46 above zero. The warmer weather, plus the rain and fog caused the ice and snow which have remained on streets, sidewalks and lawns for seven weeks to melt fast. The result was puddles and in some instances "ponds" of water in streets and on sidewalks. Inlets are choked with frozen ice, and streets in Bristol this morning were virtually rivers. The water which in many places covered the ice made conditions hazardous for pedestrians and motorists.

Two motor accidents in Bucks County are attributed to the storm. A Trenton, N. J., resident, Maxim Miswick, who was riding in a jeep, was involved in a crash on U. S. Route 1 at the west-bound "cut" near Janney. State Police from Langhorne barracks took Miswick to Pennell, from which point Bucks County Rescue Squad removed him to Mercer Hospital, Trenton. Details concerning his injuries and the crash have not been completed by the police as yet.

When a Greyhound bus, enroute from Philadelphia to Wilkes-Barre, collided with a state highway department truck on Easton Pike, between Kintnersville and Ferndale, last evening, four persons were hurt. It is stated that the bus swerved off the highway and into a culvert at Trauger's Crossing, striking the truck used in cinderling Easton Pike.

The injured, including a nurse at Graduate Hospital, 18th and Lombard sts., were taken to Doylestown Emergency Hospital in ambulances for treatment.

The nurse, Miss Anne R. Barrett, 57, of Phila., suffered lacerations of the head. Also injured were: Augustus Phillips, 75, of Milford, who was treated for a lacerated right eye and bruises on the forehead and kneecap; Charles Byrnes, 46, Richmond, Va., shock and Frank Quick, of Bloomsburg, Pa., lacerated nose.

They are Arthur M. Eastburn, of Doylestown, in replacing the late B. Palmer Tomlinson, of New Hope, and Thomas Elliott Wynne, of Bala-Cynwyd, succeeding Emil Menkle, of Philadelphia, who resigned.

**EJECTION SUIT IS
ONE OF TWO IN COURT****Sellersville Motorist Named
In An Action In
Trespass****TWO DIVORCE LIBELS**

DOYLESTOWN, Feb. 14—Two suits, two of which grow out of automobile accidents and involve Erwinna and Mannville, N. J., motorists, and an appeal from a decision by a Justice of the Peace by a Croydon motorist, have been filed in the Court of Common Pleas, here.

Claiming damages amounting to \$750, C. Arthur Ridge, Erwinna, has named Stanley Czepulowski, 3026 Edgemont street, Philadelphia, the defendant in an action in trespass.

The accident happened September 15, 1946, on the Danboro-Vienna road when the defendant was operating his car north and the plaintiff's car was travelling west when the collision took place.

Elias Wohar, 46 Roosevelt avenue, Mannville, N. J., has been named the defendant in an action in trespass filed by W. Charles O'Neill, 416 Walnut street, Philadelphia, who claims \$500 damages.

According to the statement of the complainant, W. Charles O'Neill, III, was operating a car near Langhorne, November 30, 1946, when the defendant's car crashed into the rear of the plaintiff's car.

Following the imposition of a \$25 fine and the costs prosecution by Justice of the Peace James Laughlin, Bristol township, in connection with a two-truck motor code violation, David Miller, Sycamore and Cedar avenues, Croydon, has filed an appeal in the prothonotary's office.

State Policeman John M. McDonough, of the Langhorne sub-station, arrested the defendant November 21, 1947. The collision happened on the Bristol Pike and the defendant was charged with reckless driving.

These changes will affect the following trains from Bristol to Philadelphia: Leave Bristol 6:32 a. m., arriving Broad street station, 7:25; leave Bristol 7:25 a. m., arriving Broad street station, 8:19 a. m.; leave Bristol 5:18 p. m., arrive Broad street station, 6:02 p. m.; leave Broad street station 5:46 a. m., arrive Bristol at 6:30 a. m.; leave Broad street station 8:10 a. m., arrive Bristol at 9:06 a. m.; leave Broad street station 5:16 p. m., arrive Bristol 6:08 p. m.; leave Broad street station 9:40 p. m., arrive Bristol 10:24 p. m.

BOTH LEGS BROKEN

QUAKERTOWN, Feb. 14—Nancy Dencker, Quakertown R. D. 2, suffered fractures of both legs when struck by a car as she was crossing Route 212, near Quakertown, while returning home from school on Wednesday.

The girl, six years old, was taken to Quakertown Community Hospital by John J. Logue, Oxford, N. J., the motorist who hit her.

**Service Arranged Today
For Mrs. Alonzo Shinn**

BURLINGTON, N. J., Feb. 14—Service will be held this afternoon for Mrs. Esther D. Shinn (nee Daniels), who died in Broad Street Nursing Home on Wednesday morning. Relatives and friends are invited to the funeral home at 113 E. Broad street, at 1:30 o'clock, and service will take place at two in St. Mary's Episcopal Church. Burial will be in St. Mary's Churchyard. Mrs. Shinn was a member of that church.

The deceased, daughter of the late Harry and Carrie Daniels, formerly resided on Walnut street, Bristol, and she was a graduate of the Bristol high school. Her survivors are her husband, Alonzo Shinn; a daughter, Mrs. James Keegan, Burlington; and a son, Robert Shinn, of Philadelphia. The deceased was 57 years of age.

**SELLERSVILLE RATE
STILL AT 18 MILLS****Make Effort To Enforce "No
Passing" Zone On Bor-
ough's Main Street****WILL RETIRE BONDS**

SELLERSVILLE, Feb. 14—Sellersville Borough Council set the 1948 borough tax rate at eighteen mills, the same as last year.

No action was taken on the proposed plan to set-up a "speed-trap" in the community, and council is awaiting authorization from the State Highways Department to paint double white lines in an effort to enforce a no-passing zone on Main street.

It was announced that the \$21,000 bonded indebtedness will be retired March 1, and in passing the annual budget, council allocated \$900 to the playground fund and \$900 to the park system. No capital improvements are planned in the sewer account, although a new water line on Ninth street is expected to cost about \$10,000.

A new chlorinator will cost \$2,000, and new hose for the fire apparatus will cost about \$1,000. Council plans to purchase 1,000 feet of 2½-inch hose.

Drivers of fire apparatus appointed follow: Seniors, Walter Barsley, Irvin Moore, William Steeley, Robert Pennington, Melvin Keyser, Phillip Coll, Theodore Menzack, John Oberlin; juniors, Daniel Coll, E. F. Weidemeyer, Edward Odenhorn, Ray Stull, Ralph Heckler, Fire Chief Joseph Hufnagle and Assistant Fire Chiefs Theodore Raudenbush and W. Lee Wilhelm.

Edward Guldin, South Main street, appeared before the board and protested the formation of a trailer camp in the rear of his garage. He described the residents as "itinerant workers." Named to look into the matter were Councilmen

FUN FOR ALL

A Valentine social and party for members and friends of Bristol Presbyterian Church will be held in the social room at eight o'clock this evening. A most interesting and varied program is being arranged. Various organizations, including the men's Bible class, the choir, and other groups, will be putting on "stunts." Fun and fellowship is promised to all. An evening of merriment is assured, those in charge state. Refreshments will be served. The Senior Christian Endeavor is in charge of the program. All are invited.

A SUMMARY OF THE NEWS

An expenditure of \$5,300,000,000 under the European Recovery Program for 12 months beginning April 1st is proposed in a measure approved yesterday by the Senate Foreign Relations Committee. This contrasts with the Administration's request for \$6,800,000,000 for a 15-month period.

Secretary of State Marshall described the program as an undertaking whose success or failure would determine whether a world based on democracy, individual liberty, economic stability and peace could survive.

The Council of Economic Advisers will hold six conferences with leaders of industry, labor, agriculture and consumers to reach a definite appraisal of the sharp drop in the commodity markets for President Truman.

The grain markets had another unsettled day. May corn closed off the 8-cent daily limit and May wheat dropped 5 cents despite traders' repeated efforts to rally the markets. Only oats and lard closed higher. New York Stock Exchange levels edged higher.

The Soviet Union set up an economic administration for its occupation zone in Germany comparable with the Anglo-American bilateral structure. The new adminis-

tration proclaimed by Marshall Sokolovsky, Russian commander in Germany, strengthens and expands to a considerable degree the authority of the economic advisory commission created last June.

Washington officials were said to be skeptical of any basic change in Soviet foreign policy despite several recent intimations of a softening of Russian opposition to the Western Powers.

Foreign Minister Bidault told the French Assembly that since last spring's Moscow conference of the Council of Foreign Ministers the "division of the world into two blocs" had been intensified. Prime Minister Attlee told a British audience that communism had become "an inverted Czarism."

Communists in Czechoslovakia's Parliament were opposed solely by the other parties, which adopted a resolution calling on the Communist Minister of the Interior to submit a report on misuse of the police for political purposes.

The British commander in Palestine ordered an inquiry into charges that British troops had turned over four Jewish youths to Arabs, who killed them. An executive of the Jewish Agency for Palestine said the British were guilty as accessories.

**RESIDENTS ALONG
STREAMS WATCH
FOR RISING WATER****Higher Temperatures, Fog
and Rain Melt Ice and
Snow Fast****DELAWARE IS NORMAL****Five Injured As Two Acci-
dents Occur During the
Stormy Weather**

Residents along the banks of streams in Bucks County are keeping a watchful eye on the water level, waiting for the ice break which they feel the thaw might bring.

Storm news also includes two motor accidents in which five were hurt.

Fog and warm rain of the past 24 hours gave promise that something might "give" as far as the thick ice on the Delaware, Neshaminy and other streams are concerned.

Yesterday afternoon a quantity of heavy ice came down the Delaware. This morning at 9:15, when visibility was poor, due to fog, some ice was noted in the Delaware, but not as much as yesterday, employees at the Bristol water works state. Unofficial reports put the ice on the Neshaminy at 9½ inches and over, depending on location. The water level of the Delaware at 9:15 was reported as normal, but a rise is anticipated.

Temperatures which rose from 29 at eight a. m. yesterday into the high thirties and low forties, continued to mount. At eight o'clock this morning unofficial temperature reading in Bristol was 46 above zero. The warmer weather, plus the rain and fog caused the ice and snow which have remained on streets, sidewalks and lawns for seven weeks to melt fast. The result was puddles and in some instances "ponds" of water in streets and on sidewalks. Inlets are choked with frozen ice, and streets in Bristol this morning were virtually rivers. The water which in many places covered the ice made conditions hazardous for pedestrians and motorists.

Two motor accidents in Bucks County are attributed to the storm. A Trenton, N. J., resident, Maxim Miswick, who was riding in a jeep, was involved in a crash on U. S. Route 1 at the west-bound "cut" near Janney. State Police from Langhorne barracks took Miswick to Pennell, from which point Bucks County Rescue Squad removed him to Mercer Hospital, Trenton. Details concerning his injuries and the crash have not been completed by the police as yet.

When a Greyhound bus, enroute from Philadelphia to Wilkes-Barre, collided with a state highway department truck on Easton Pike, between Kintnersville and Ferndale, last evening, four persons were hurt. It is stated that the bus swerved off the highway and into a culvert at Trauger's Crossing, striking the truck used in cinderling Easton Pike.

The injured, including a nurse at Graduate Hospital, 18th and Lombard sts., were taken to Doylestown Emergency Hospital in ambulances for treatment.

The nurse, Miss Anne R. Barrett, 57, of Phila., suffered lacerations of the head. Also injured were: Augustus Phillips, 75, of Milford, who was treated for a lacerated right eye and bruises on the forehead and kneecap; Charles Byrnes, 46, Richmond, Va., shock, and Frank Quick, of Bloomsburg, Pa., lacerated nose.

TO ATTEND SESSION

Members of Hopkins Lodge, 87, I. O. O. F., will journey to New Hope on Monday evening to attend a district meeting, and witness presentation of past grand jewels to two of New Hope's members. This will also be the celebration of New Hope Unity's Lodge's 100th anniversary. Bristol lodge members will leave the I. O. O. F. hall here at 7:30 by bus.

FLEETWING ESTATES

Marie Gordon, daughter of Mr. and Mrs. Ralph Gordon, left on Friday to spend three days at the home of her uncle, Charles Tesaro, Philadelphia. On Saturday, she was flower girl at the wedding of her cousin, Anna Tesaro, and Andrew Delisi, at St. Nicholas Church, Philadelphia.

MARRIAGE LICENSES

Russell L. Geiger, Bungalow Park, and Anna M. Hearn, both of Quakertown.

Michael J. Byelich, Pennell, and Sara Elizabeth Wilkes, Newtown.

John Rafferty, 589 Bath street, Bristol, and Dorothy A. Waldron, Cornwells Heights.

Raynor L. Scholl, Quakertown, and Helen W. Huss, Sellersville, 12 D.

**"Pennsylvania" Film Is
Shown Civic Association**

The Fleetwing Estates Civic Association members met Thursday evening at No. 4 Fleetwing Drive, home of the treasurer, R. J. LaBrie.

The program featured the motion picture "Pennsylvania," in color, a film showing many of the historic and scenic places in this state.

It was announced that the Women's Auxiliary had agreed to make sufficient funds available to complete the bus shelter, which now lacks only a roof. Members agreed to work on this project again as soon as weather permits.

Surveying of many homes in Fleetwing Estates, it was learned, had not been made. H. P. Minnich, president, agreed to contact the surveyor to learn if he plans to complete the survey.

**Name Two Members
On Park Commission**

Two new members of the Washington Crossing Park Commission were named by Gov. James H. Duff yesterday in Harrisburg.

They are Arthur M. Eastburn, of Doylestown, in replacing the late R. Palmer Tomlinson, of New Hope, and Thomas Elliott Wynne, of Hala-Cynwyd, succeeding Emil Menkle, of Philadelphia, who resigned.

**EJECTMENT SUIT IS
ONE OF TWO IN COURT****Sellersville Motorist Named
In An Action In
Trespass****TWO DIVORCE LIBELS**

DOYLESTOWN, Feb. 14—Two suits, two of which grow out of automobile accidents and involve Erwinna and Mannville, N. J., motorists, and an appeal from a decision by a Justice of the Peace by a Croydon motorist, have been filed in the Court of Common Pleas, here.

Claiming damages amounting to \$750, C. Arthur Ridge, Erwinna, has named Stanley Czepulowski, 3026 Edgemont street, Philadelphia, the defendant in an action in trespass.

The accident happened September 15, 1946, on the Danboro-Wisconsin road when the defendant was operating his car north and the plaintiff's car was traveling west when the collision took place.

Elias Wohar, 46 Roosevelt avenue, Mannville, N. J., has been named the defendant in an action in trespass filed by W. Charles O'Neill, 416 Walnut street, Philadelphia, who claims \$500 damages.

According to the statement of the complainant, W. Charles O'Neill, III, was operating a car near Langhorne, November 30, 1946, when the defendant's car crashed into the rear of the plaintiff's car.

Following the imposition of a \$25 fine and the costs prosecution by Justice of the Peace James Laughlin, Bristol township, in connection with a two-truck motor code violation, David Miller, Sycamore and Cedar avenues, Croydon, has filed an appeal in the prothonotary's office.

State Policeman John M. McDonough, of the Langhorne sub-station, arrested the defendant November 21, 1947. The collision happened on the Bristol Pike and the defendant was charged with reckless driving.

**Arrange Funeral For
Mrs. J. B. Doan, Monday**

TULLYTOWN, Feb. 14—A long illness ended in death on Thursday for Mrs. Louisa F. Doan, widow of John B. Doan.

A resident of this borough for her entire lifetime, Mrs. Doan is survived by two sons, Clarence and John.

The Rev. Paul H. Gleichman, pastor of Zion Lutheran Church, will officiate at the service at the Morden funeral chapel, 133 Otter street Monday, at two o'clock. Burial will be made in Tullytown Cemetery. Friends may call Sunday evening.

Vatican City—Pope Pius XII took up personal vigil today at the bedside of seriously ill Cardinal Granato De Belmonte, dean of the Sacred College. The pontiff visited the 87-year-old prelate, who also is prefect of the congregation of ceremonies at the Vatican, and remained at his bedside. His action was unprecedented during the illness of any other members of the College of Cardinals. Cardinal Di Belmonte was born in Naples in 1851. In addition to his Vatican duties he is bishop of Albano and Ostia.

Moslem Tribesmen Threaten Supply Line

Karachi—Moslem tribesmen in the Indian state of Kashmir were reported today to be threatening the main supply line of the India dominion's army forces guarding the capital of Srinagar. The accounts from northern India said that the Moslems may cut the Baramulla-Srinagar Road in an attempt to gain the upper hand in the armed revolt in Central Kashmir against the rule of Maharajah Sir Hari Singh. The Moslem campaign was undertaken after the Maharajah agreed that Kashmir become a part of the India dominion instead of Moslem Pakistan.

Keough Granted Full Pardon

Harrisburg—Robert H. Keough, of Bucks County, released in parole in 1939 following a jail term for larceny, today was granted a full pardon by Gov. James H. Duff upon recommendation of the State Pardons Board. Duff also granted sentence commutations to 10 others.

Seize Soviet Newspaper Copies in Berlin's French Zone

Berlin—Authorities in the French zone of Berlin seized today all copies of the Soviet-sponsored newspaper Tagliche Rundschau. The action was taken because the newspaper published a lengthy Tass dispatch from Moscow dealing with a recent Allied Control Council meeting. The dispatch termed Gen. Joseph-Pierre Koenig, French commander in Berlin, a "puppet of the Western powers."

**NEW INDUSTRY TO

TITLE TO PLANT****Minnesota Mining & Mfg.
Co. Busily Engaged In
Making Plans****MAKES VARIED ITEMS****Branch Offices Are Located
In Many Principal
Cities**

The operations and engineering departments, together with their technical staffs of the Minnesota Mining & Manufacturing Company, purchasers of Plant 2, Kaiser-Fleetwing, here, are busily engaged in the preliminary stages of plant lay-out so that an early decision can be reached with respect to the specific types of operations which will be most feasible to be undertaken at the new location here. This activity is being carried on, awaiting receipt of the file from the Philadelphia War Assets Administration at Washington, D. C., for processing.

Among the products which the company makes are "Scotch" pressure sensitive tapes and 3M abrasives. The newest product of the firm's research laboratory is "Scotch" sound recording tape, a material which is affected magnetically when passed through a reproducing machine, and which records with a fidelity challenging all other recording media.

Another of the firm's newer products which has received a broad public acceptance is "Scotchlite," a reflective sheeting made up of thousands of microscopic glass spheres per square inch, imbedded in colored transparent backing. Highway and traffic markers throughout the nation are now standardized with this product, and unusually attractive reflecting highway - bulletin signs make those messages serve 24 hours a day through the use of this product.

The company originally started operations north of Duluth, Minn., in 1902, when it was organized to mine an abrasive mineral known as corundum. This occasioned the use of the word "mining" in the name, although since 1910, when the company moved to St. Paul, none of its operations were very directly identified with that term.

That year marked the beginning of the rapid rise in the production of coated abrasives, which a few years later, brought to the market "Wetordry" sandpaper, revolutionizing many manufacturing processes in the metal trades and furniture manufacturing industries.

The next major move, resulting from a reliance on technicians and research laboratories, was the marketing of masking tape, which made possible two-tone painting of automobiles, followed shortly by "Scotch" pressure-sensitive cellulose tapes. These products have been subject to continuing research for improving quality and broadening their fields of use. Today "Scotch" tape is a household word and is known the world over. 3M abrasives likewise can be found on the shelves of almost every retail organization in the world.

Along with the development of ceramically treated roofing granules, used in manufacturing composition roofing and shingles, "Safety-Walk" for slippery places, has also come the production and development of a line of adhesives which are daily being applied to meet new needs to better serve industry and our citizens.

Branch offices are maintained in a number of cities including: Boston, Buffalo, Chicago, Cincinnati, Cleveland, Detroit, Grand Rapids, High Point (N. C.), New York, Philadelphia, Pittsburgh, St. Louis, St. Paul, Los Angeles, San Francisco, Seattle, Manufacturing plants, in addition to the home office and plant at St. Paul, are located at: Akron, O.; Detroit, Mich.; Duluth, Hutchison, Fairmont, Minn.; Wausau, Wis.; Lemont, Ill.; Little Rock, Ark.

Color Films of The West Viewed By Jr. Clubwomen

The program of the Junior Travel Club, Thursday evening, has highlighted the showing of motion pictures by Mrs. Elwood P. Goslin, Junior Travel Club member. The color pictures were taken by Mrs. Goslin while on a trip to the west coast. Members enjoyed the beautiful scenery of California, the Catalina Islands, Oregon, Washington; also Vancouver, B. C., and other parts of Canada.

Mrs. David Hetherington, who is in charge of the entertainment of the evening, was praised for having made such a fine selection of the program.

Preceding the social event, Mrs. Robert Bauroth, president, conducted an informative business meeting, stressing the importance of complete cooperation on the part of each member of the club in all its functions. She urged everyone to do her utmost to attend all meetings and social events in order to develop a closer union in the club.

Mrs. Bauroth read a letter from the Penna. Federation of Women's Clubs, which told of the state project which has been voted upon, namely cancer control. The juniors were asked for a large donation for this cause. The letter also stated that the annual state convention is to be held this year at the Penna. Harris Hotel, Harrisburg, May 3rd to 5th. Mrs. Bauroth stated that two members will be sent to this convention to represent the Junior Travel Club.

Mrs. Robert Braker, chairman of the "March of Dimes" drive in this area, was called upon for a report. She stated that all returns are not yet in, but that the drive is a great success. She remarked that pupils at the schools have made a fine showing and been most generous. She also mentioned that donations are still being accepted, and may be sent to her at 216 Cedar street. A motion was carried that \$10 be given to the "March of Dimes" drive by the juniors. Plans were discussed for a bake sale in April. Miss Frances Duffy was appointed to carry through the plans.

The juniors voted "yes" on the question of whether there should be a separate Federation of Women's Clubs convention for junior clubs.

The social committee for the evening was composed of Mrs. Horace Schmidt, chairman; Mrs. Ralph DeDonado, Mrs. Walter Kelly, Mrs. Joseph Fischer. Thirty-three members were in attendance.

Today's Quiet Moment

By the Rev. William C. Carroll
Pastor
Harriman Methodist Church

O God of light and love, for the sins of nations and the wrongs of man to man we ask forgiveness. Let the new order dawn, of thy will done on earth as in heaven, bringing into human society a fairer distribution of the good things of life and a larger measure of justice in human relationships. In the name of Christ. Amen.

HIGH SCHOOL TEAM KEEPS ITS RECORD CLEAR OF DEFEATS

Bristol High remained unbeaten in the Lower Bucks County League by virtue of its win over Bensalem High last night on the high school floor. Rolling up a 62-32 count, it was the Warriors' seventh consecutive league victory and their 13th of the season.

The visitors only had one chance in the game. They came out fighting in the third period and cut down a Bristol lead from 16 to 7 points. In addition, the Owls missed several "pigeons" which would have brought them closer to the locals' score.

However, after staying off the Bensalem rally, the proteges of "Jerry" Bloom passed the invaders off their feet and scored an avalanche of field goals.

As usual, it was "Jim" Sottile and "Johnny" Pindar, who garnered most of the winners' tallies with 22 and 20, respectively. "Don" DeLong was helpful in getting the ball off the boards. DeLong played practically the entire game, being relieved in the last minute of the tilt.

Basketball League Books Sunday Games

The Bristol Basketball League will play its first Sunday games of the season tomorrow afternoon with two games being scheduled on the Rohm & Haas club-house floor. First game will begin at 2:15 o'clock.

The games were originally scheduled for last night but postponed due to the high school playing at home. The circuit will also play its scheduled games of Feb. 27th on Sunday afternoon, Feb. 29th.

The Rohm & Haas quintet will meet the Hibernians in the first tilt tomorrow with Falls Alumni stacking up against the Knights of Columbus in the night-cap.

Rohm & Haas is trailing the league-leading Profy team by one-half game and must win or take a chance of dropping in the league race. The Knights are not far behind the second place position. The Hibernians will drop into a dead-lock for fifth place should they lose their game.

JUNIOR VARSITY FIVE WINS 13TH GAME

Friday the 13th meant little to the Bristol High Junior Varsity squad as it chalked up its 13th straight win of the basketball campaign. The Warriors' juniors beat the Bensalem Jayvees, 38-25, in the preliminary game on the high school court last night.

Coach Harold McClister's lads had the lead from early in the tilt and increased it as the game progressed. The Bristol team showed its usual co-operation with forwards covering up when guards were taking shots and vice-versa.

"Joe" Pindar made 10 of the Bristol Juniors points while "Bill" Butz was the best shot for the losing team with 9 points.

RAMBLERS TO AGAIN PLAY NEWBURGH BOYS

Seeking another victory over the boys from Newburgh, N. Y., the Bristol Ramblers roller hockey team will tangle with them again tonight at the Burlington Rink, after skating at 10:30.

Coach "Lew" Smith will have his entire squad of Ramblers on hand for this contest. For his No. 1 line he will start Bud and Lawrence Ritter and Ed Birmingham, while Bill Sottung and Bill Ritter will be on the defense, with Dick Johnson as goalie.

Ulysses W. Nase, North Main street property owner, and the Williams Construction Company, were ordered to move a newly-erected building back from the highway eighteen feet to conform to the building code. The building was erected without a permit, council said, and did not meet borough specifications. Council ordered Frank H. Hallman, building inspector, to issue the company a permit.

DEAR COMRADE:

Whether you have ever been a member of The American Legion or not, as a veteran you should know some of the major achievements of the organization, both for veterans and for the nation as a whole. Space will not permit telling the complete story of all the work accomplished by the Legion, therefore we have set forth here just a few of the major high-lighted accomplishments of the organization. In reviewing these, keep in mind the fact that the Legion is or can be your organization.

Look these high-lights over; and read them carefully. Compare them with what other organizations have done or plan to do, then decide for yourself whether or not you want to continue to be a part of such an organization, or if you haven't belonged before, decide for yourself whether you want to join and help carry your proportionate share of the load.

The G. I. Bill of Rights was conceived, drafted and piloted through Congress by The American Legion, as were the amendments to that piece of legislation.

The Terminal Leave Pay bill for enlisted men is another result of Legion legislative effort, as is the legislation calling for the immediate payment of the Terminal Leave bonds.

It was the Legion who fought for and secured the legislation making possible the 20% increase in disability pensions for veterans.

It was the American Legion that spearheaded the drive to liberalize the G. I. Insurance.

Public Law 16, providing educational benefits for disabled veterans, is a result of Legion legislative effort.

These are but a few of the legislative successes of the Legion at the federal level. In nearly every state in the union, state legislation of benefit to veterans has been enacted at the insistence of the American Legion.

In the field of service to community levels, it carries on many types of unselfish activities. A few of the more important ones are as follows:

Well over one-half million high school boys taking part in Junior Baseball each summer.

More than 200,000 high school students participating in the Legion-sponsored oratorical contest each year.

At least 25,000 young men attend Boys States each year with outstanding boy leaders participating in a national forum of government in the nation's capital.

Over 3,000 Boy Scout Troops are sponsored by the American Legion Posts.

This past year witnessed the presentation of more than 16,000 school award medals to outstanding students in both grade and high schools.

Through the Child Welfare program more than \$62,500,000 has been spent assisting in the care of more than 7,000,000 children. In this program \$50,000 was donated for further research in the field of rheumatic fever.

It is highly important that every man and woman belonging to The American Legion renew membership at the beginning of each Legion year. It is also highly important that these Legionnaires take the message of Legion service to all honorably discharged veterans in the community and enroll them in the organization. A continuous large membership is necessary if the programs and activities for veterans and for the nation are to go forward.

Legion Posts throughout the nation now have club rooms valued far in excess of \$100,000,000, and a paid-up membership card gives to the bearer, Legion club room privileges wherever he might be.

Add to all these achievements the fact that any veteran can apply for assistance to any Post Service Officer in the filing of his or her claim for benefits provided by the Federal Government and still have a sample of the service rendered by the Legion.

The veterans need the Legion and the Legion needs the veterans.

Sincerely,
MARTIN J. HEALY,
Post Commander.
